Abstract

Please add a brief abstract here (not more than approx. 100 words). Please underline the presenting author in the list of authors. This document is limited to **one page** (A4, 2cm margin, 10pt font size).

Please add the full summary here. Add figures, equations, tables, etc. according to your requirements. Please make sure that the image resolution and the font size of any label in the figure is readable.

This abstract for posters will be reviewed by the Scientific Committee of the [QPS2026] conference, not for invited talks.

The submission comprises the agreement of all authors that this document can be published in the book of abstracts and on the conference website.

[1] Suggested format for references: Authors, *Title*, Journal **Volume**, Page (Year).
